PROFESSIONAL SUMMARY

I have 2 years of experience as a UI/UX designer and 3 years of experience as a Graphic Designer. I have worked on a variety of projects, from large/small websites or mobile apps. I have a deep understanding of user experience design principles and how to apply them to create truly great user experiences.

WORK EXPERIENCES

UI/UX Designer At B2B Sales Agency *(Contractual Remote)*

November 2022- April 2023

I am working on B2B & B2C Projects as a UX/UI Designer for a contract based work. It's remote freelance work. My primary responsibilities are to improve their Booking system web dashboard.

UI/UX Designer at Booking app for travel *(Contractual Remote)*

Oct 2022 - April 2023

I am working on B2B vs B2C booking app for travel as a UX/UI Designer for a contract-based work. It's remote work. Collaborate with the founding team with product thinking ideas and research. Designed a new mobile application and website, including a responsive version from scratch.

UI/UX Designer at Pixelean

January 2023 - March 2023

I worked as a UX/UI designer at Pixelean. Pixelean is a design agency. Here too I design websites & mobile apps as per the Client's requirements. Creating user-centered designs by understanding business.
